

Investing for Success

Under this agreement for 2022

Butchers Creek State School will receive

\$6,444*

This funding will be used to

- Build teachers knowledge and understanding of the Australian Curriculum through whole school planning and moderation sessions
- Improve students' outcomes in reading and writing through inclusive practises and effective pedagogy
- Implement a systematic synthetic phonics program- Promoting Literacy Development (PLD)
- Continue the implementation of the Positive Behaviour for Learning Framework

Our initiatives include

- Embed the Australian Curriculum including general capabilities and cross curricular priorities in core Learning Areas (English, mathematics and Science)
- Implement a systematic synthetic phonics program from Prep-Year 6
- Develop the knowledge and understanding of the Positive Behaviour for Learning Team

Our school will improve student outcomes by

Actions	Costs
